WHAT IS FLAVORS OF MARYLAND?

Flavors of Maryland, the annual fundraiser of TasteWise Kids, is a culinary experience not to be missed. The evening will showcase Baltimore chefs and farmers in a celebration of the foodways of Maryland. In addition to offering deliciously prepared foods and locally crafted beverages, we will be hosting a conversation with TasteWise Kids community partners and special guests.

Join us for conversation, food, and fun.

WHY SUPPORT TASTEWISE KIDS?

TasteWise Kids programs work to connect schools, urban gardens and farms, local food professionals, and the community in an effort to close the food gap through knowledge sharing and skill building in regions with low access to nutritious food.

TasteWise Kids programming is designed to make food exploration fun and exciting and appealing to kids' natural curiosity to try something new. Your support will help us deepen our mission to build food literacy skills and healthy lifelong eating habits for kids and their families. Learn more about our work at www.tastewisekids.org
