Types of Farms

There are many different kinds of farms. Draw a line between the foods in column 1 and the kind of farm they come from in column 2.

Column 1

steak, roast beef, beef hamburgers

apples, peaches, fruits that grow on trees

turkey, duck, chicken

milk, yogurt, cheese

food produced and harvested by methods
that protect the natural environment

ham, bacon, sausage

bread, macaroni, spaghetti

fruits and vegetables grown without
chemicals

Column 2

dairy farm

cattle farm (or ranch)

poultry farm

pig farm

orchard

organic farm

wheat farm

sustainable farm
